MADONNA DEL SASSO SCHOOL PARTICIPATED IN THE GREAT CALIFORNIA SHAKEOUT TODAY. AS THOUSANDS OF SCHOOLS AND BUSINESSES THROUGHOUT THE STATE REVIEWED THEIR PROCEDURES IN CASE OF EARTHQUAKE, MADONNA KIDS AND TEACHERS PRACTICED DROP, COVER, AND HOLD PROCEDURES.

MADONNA'S EXERCISE ALSO SIMULATED DAMAGE TO THE SCHOOL BUILDING. WHEN TEACHERS REPORTED ALL STUDENTS WELL AND READY, CLASSES EVACUATED THE BUILDING AND WALKED TO THE CHURCH, OUR DESIGNATED ASSEMBLY POINT. DR. WHITE, PRINCIPAL OF THE SCHOOL, DECLARED THE DRILL SUCCESSFUL AND THE BEHAVIOR OF THE STUDENTS EXCELLENT.

AT THE CHURCH, DR. WHITE TOLD THE STUDENTS ABOUT THE LOMA PRIETA EARTHQUAKE 20 YEARS AGO AND HOW THE GROUND SHOOK FOR 15 SECONDS. HE AND MRS. GONZALEZ WERE PRESENT AT THE SCHOOL DURING THE EARTHQUAKE IN 1989.
