Grades—As much as I would like to have a religion class with no grades, we will have to assign a grade for report cards. The elements of the grade will be Participation, Test and Quiz scores, and demonstration of Christian principles during the school day.

Students will assess their own progress with rubrics based on the curriculum standards

When we have homework or assignments to be completed outside of normal class time, grades will be affected also.

Daily Routine: Prayer, Lesson

Friday: Liturgy of the Word
