

September 14, 2009

Dear Preschool Parents:

Our class has started to say a morning prayer. We have also started saying a grace before our snack. Both prayers are listed for your family to practice. We will try to introduce a new morning prayer and grace each month. In the classroom, we have been working on how big we are. Last week we measured to see how tall we are. This week we will weigh everyone. Also this week we will make a handprint and footprints. Then at the end of the school year we will make the comparison between the beginnings of the year and how we are getting bigger and older. We have introduced the balance beam into our classroom time. We start library time this week along with PE. We will also begin to introduce your school calendar. We will also start working on your daily jobs.

Please make sure that when your child writes or draws that they use the three-finger grip (pincer grip).

Please make sure that your child uses the bathroom before they enter the classroom.

Do not forget to bring back your child's folder back to school. This is how we make sure that you receive preschool notes and the school notes. I believe that starting this week our bulletin will be available on the school web page.

The school photos should be ready in about 4-6 weeks.

If you have any questions please ask us.

## JOHNNY APPLESEED

The Lord is good to me,  
And so I thank the Lord,  
For giving me the things I need,  
The sun and the rain,  
And the apple seed.  
The Lord is good to me.

And every seed that grows  
Shall grow into a tree.  
And one day soon  
There'll be apples there  
For everyone in the world to share.  
The Lord is good to me.

Blessings,  
Mrs. Aragon, Ms. Aguilar, and Mrs. Mitchell
