

**10.8.09**

**Dear Parents:**

**We will start our Religion worksheets, which covers the Gospel reading for Sunday Mass. Your child will bring home the Religion worksheets weekly, please ask your child about the work.**

**The children will start to bring home plastic folders with a book inside.**

**This is an opportunity for you to read to your child every night with a new book from our classroom library. Your child borrows the book for the night and then returns the book back in the book folder, and your child will get another book for the next night. When you bring the book folder back, please place the book folder in the folder basket. Happy Reading 😊**

**Enjoy the long weekend! No school on Monday.**

**Blessings,**

**Carrie, Catherine, and Emerlinda**
