

**The following are the goals and objective that were affirmed by the entire school community:**

### **Technology**

#### *Goal*

Madonna del Sasso School will enhance effective student learning by utilizing technology-based tools, teacher training and support services with a balanced fiscal base and equitable dedication of resources.

#### *Objectives*

- To develop a comprehensive technology plan for student learning and implement the provisions as soon as feasible.
- To ensure adequate teacher training and support services
  - Identify teachers who will benefit from increased training
  - Support training financially and with dedicated time
- Dedicate resources to Technology Coordinator to follow teacher's learning curve
- To update hardware and software in accordance with the technology plan
- To ensure that provisions of the technology plan are funded through systematic inclusion in yearly budget
- To inform the school community about technology goals and provide evidence of accomplishments

### **Development**

#### *Goal*

Madonna del Sasso School will revise the Comprehensive Development Plan and implement the provisions of the plan to enhance image, increase enrollment and develop financial resources to accomplish the mission.

#### *Objectives*

- To publish newsletters and information resources in accordance with a systematic schedule
- To maintain communication ties with constituents and friends of Madonna
- To ensure the website is utilized for maximum benefit
- To enhance image of Madonna del Sasso with internal and external interests

## **Facilities**

### *Goal*

Madonna del Sasso School will develop and implement a comprehensive facilities plan to maintain and effectively utilize the school buildings and grounds giving the students a safe and secure environment that design, fund and implement a sustainable long-range master plan to maintain, improve and expand current educational facilities.

### *Objectives*

- To develop and follow a master schedule of building and equipment maintenance
- To create and staff a subcommittee of the Board to ensure school facilities are efficiently utilized.
- To explore possible means to expand useable space on the school property and adopt the most practical and financially feasible plans
- To ensure proper and scheduled use of Self-Inspection checklists with prompt follow-up action

## **Catholic Identity**

### *Goal*

Madonna del Sasso School will ensure authentic Catholic values are the animating and motivating spirit of the school. We will consistently communicate our vision and values to our community

### *Objectives*

- To focus on the Catholic identity of the school as a key component of the parish community in concert with the communication plan for the school Madonna del Sasso School
- To require all teachers to obtain and maintain catechetical certification
- To recognize and support the five diocesan certified Master Catechists on the faculty
- To seek actively for opportunities to interact with parish organizations
- To ensure Madonna del Sasso School be seen in the community as exemplar of Christian values in action especially with community service-learning projects

## **Curriculum**

### *Goal*

Madonna del Sasso School will maintain the rigor and relevance of what the students learn and to continue to improve the quality of teaching and depth of learning throughout the school.

### *Objectives*

- To encourage teachers to utilize best practices in their classrooms and provide them incentives to do so
- To ensure a consistent and scaffolding program of writing skills through professional growth and grade-level collaboration
- To expand curriculum offerings to bring back Spanish and Fine Arts

## **Finance**

### *Goal*

Madonna del Sasso School will maintain and increase its long-term financial stability through strategic planning, effective management of resources, and budgeting best practices.

### *Objectives*

- To keep tuition rates as low as possible while delivering high quality education
- To work with the Board's finance and development committees to develop ways and means of attracting additional sources of funding

## **Governance**

### *Goals*

Madonna del Sasso will strengthen the governance structure of the Board and formalize its procedures of formulating policy

### *Objectives*

- To use the Diocesan Board By-laws
- To create committees and subcommittees of the Board as necessary to carry out the mission of the school and to execute the provisions of the Strategic Plan
